PROPOSED CLASS ACTION SETTLEMENT

**Class Action Regarding the Purchase by Quebec Residents of Tickets from StubHub,
before March 11, 2020, for Events Scheduled to Take Place After March 11, 2020**

A proposed settlement ("**Settlement**") has been reached, subject to Court approval, between Mr. Patterson (the "**Plaintiff**") and STUBHUB INC. and STUBHUB CANADA LTD. ("**StubHub**") in the context of a class action instituted against several ticketing platforms including StubHub with respect to the purchase, prior to March 11, 2020, of tickets for events scheduled to take place after March 11, 2020, which events were subsequently either cancelled, postponed or rescheduled, without a full refund for the tickets purchased being provided (the "**Class Action**").

The Superior Court of Quebec authorized the Class Action, for settlement purposes, on May 10, 2022.

This proposed Settlement may affect your rights, whether you act or not. Please read this notice carefully.

Note: This proposed Settlement is only with regards to StubHub customers in Quebec.

BASIC INFORMATION

Why have I received this email?
--

You are receiving this email because you are a Quebec resident and you have purchased before March 11, 2020 one or more tickets from StubHub for an event scheduled to take place after March 11, 2020, which event was subsequently either cancelled, postponed or rescheduled, without a full refund being provided by StubHub. Therefore, you could be eligible to receive benefits under the Settlement, if approved by the Court.

The purpose of this notice is to inform you that the Plaintiff and StubHub have reached a proposed Settlement putting an end to the Class Action (subject to Court approval). All concerned parties believe that the proposed Settlement is the best solution to dispose fairly and equitably of the dispute; they will ask the Superior Court of Quebec to approve it.

The Superior Court of Quebec will hold a hearing to determine whether it will approve the proposed Settlement. You may attend the hearing, which will take place virtually on June 17, 2022 at 9:30 a.m. in room 16.02 of the Montreal Courthouse using the following Microsoft Teams link: <https://url.justice.gouv.qc.ca/oCT0>.

What was the purpose of the Class Action?

According to the Plaintiff, StubHub committed a fault by modifying its “StubHub Marketplace Global User Agreement” by offering a 120% credit of the value of tickets instead of fully reimbursing Quebec residents for all amounts paid before March 11, 2020, regarding tickets for events scheduled after March 11, 2020, which events were subsequently cancelled. Again, according to the Plaintiff, StubHub committed a fault by providing in its “StubHub Marketplace Global User Agreement” that it would not fully reimburse Quebec residents for all amounts paid before March 11, 2020 for event tickets, which events were subsequently either postponed or rescheduled after March 11, 2020.

These allegations have not been proven in Court and are contested by StubHub, whose position is that they have complied at all times with all applicable legislation, including with respect to the modifications to its “StubHub Marketplace Global User Agreement”.

Who are the Group Members?

You are a Group Member if you meet all of the following conditions:

1. You are a user of the StubHub Services that had a Quebec billing address associated with your Account at the time of purchase of the Ticket(s);
2. you have purchased before March 11, 2020 at least one ticket from StubHub to at least one event scheduled to take place after March 11, 2020, which event was subsequently cancelled and have opted to keep the 120% credit (“**Credit**”) instead of defaulting to a full refund;

or

you have purchased before March 11, 2020 at least one ticket from StubHub to at least one event scheduled to take place after March 11, 2020, which event was subsequently either postponed or rescheduled (“**Ticket(s)**”);

3. you have not already used the Ticket(s) to attend the event(s) to which the Ticket(s) grant access; and
4. you have not already received a refund or used in its entirety or in part the 120% Credit previously received for such Ticket(s).

SETTLEMENT SUMMARY

What does the Settlement provide for?

Without any admission of liability, for the purpose of avoiding a trial and the additional costs and expenses related thereto, StubHub agrees to the following:

1. Each Eligible Member shall be entitled to, alternatively, (i) retain his or her Ticket(s); or (ii) cancel the contract by which he or she purchased his or her Ticket(s) and receive a benefit in the form of a credit in an amount equal to one hundred and twenty percent (120%) of the value of the Ticket(s) purchased (including all ticket prices paid, fees, taxes, additional services purchased such as parking, etc.); or (iii) cancel the contract by which he or she purchased his or her Ticket(s) and obtain the restitution of an amount equal to the value of the Ticket(s) purchased in cash (including all ticket prices paid, fees, taxes, additional services purchased such as parking, etc.), at the Eligible Member's option;

2. Implement a business practice change regarding tickets to events that have been postponed or rescheduled, providing for a refund upon a request being made by a Quebec resident.

Am I eligible to receive reparation?

If you meet the four conditions described above to be a Group Member, if you have not already used your Ticket(s) to attend the events to which the Tickets grant access and if you do not wish to retain your Ticket(s), you could be eligible to receive a benefit in the form of a credit in an amount equal to one hundred and twenty percent (120%) of the value of the Ticket(s) purchased (including all ticket prices paid, fees, taxes, additional services purchased such as parking, *etc.*), or an amount equal to the full value of the Ticket(s) purchased in cash (including all ticket prices paid, fees, taxes, additional services purchased such as parking, *etc.*) provided that you return your digital Ticket(s) to StubHub (physical event ticket need not be returned). **Should the Settlement be approved by the Superior Court of Quebec, you will receive a Notice of Approval of the Transaction inviting you to submit your claim by responding electronically to said Notice within the allotted claim deadline. The Notice of Approval of the Transaction will set out the three (3) options available to you, namely (i) to retain your Ticket(s), (ii) to receive a credit or (iii) to receive a cash refund.** If you do not submit your claim in a timely manner, you will be deemed to have elected to hold onto your Ticket(s) and you will no longer be eligible to receive benefits pursuant to this Settlement, but you will be bound by the remaining terms thereof.
